**F. Community Transportation Coordinator (CTC) Report**

Ms. Kathy Balentine presented the CTC report from the previous quarter. Ms. Balentine reported that they had 1,096 medical trips and 47 other trips totaling 1,143 trips. If Franklin county they currently have 7 vehicles that traveled 44,868 vehicle miles, 33,752 revenue miles, and 57,221 passenger miles. They also had 23 no shows but 109 unduplicated passengers. They also spend \$205,468 (including proviso funding) out of the \$210,661 allocation.

Ms. Balentine said that they now have 4 drivers located in Franklin county, and were still collecting farebox to help offset the cost of the 10% local match. There was some discussion about how to CTC received its 10% match to which Ms. Balentine said it's a combination from the farebox and from the county allocating money from their budget. The board is interested in seeing if the county could be petitioned for a little more funding as the allocation from the state changes year by year and the farebox doesn't always keep up with the needed 10%.

**Action:** Information Only
