# Apalachee Revolving Loan Fund

Apalachee Regional Planning Council  
2507 Callaway Road, Suite 200  
Tallahassee, FL 32303

The **Revolving Loan Fund** has made loans to dozens of businesses in the Northwest Florida region since its founding at Apalachee Regional Planning Council (ARPC) in early 1980.

Help us make the RLF a household name...to businesses throughout Apalachee Region Florida.

**The RLF doesn't compete with banks.**

Its purpose is to capture the lending "gray area" for eligible business loan seekers who are unable to obtain a loan from a commercial institution.

ARPC cooperates with banks and expands economic activity.

The RLF is enabled by a partnership between ARPC and the Economic Development Administration. ARPC provides Economic Development services to the nine-county region.

See contact information on the reverse if you'd like to pursue a loan or help ARPC to expand its program.

Loans range from \$5,000-\$50,000.

ARPC is actively seeking to increase the loan pool size and the number of small businesses receiving loans.
