## II. New Business

### A. Annual Operating Report Review

Mr. Eastberg explained that historically the AOR's are due September 15<sup>th</sup>, however with Hurricane Irma the Commission for the Transportation Disadvantaged (CTD) granted a 1-month extension deadline to October 15, and therefore, as of the November meeting the AOR's has been submitted to the commission for their approval.

Ms. Russell presented the Report as the AOR provides information used in the annual CTC Evaluation

**Action:** Motion to authorize the Chairman to sign the report indicating the CTC reviewed the report. (Rushing, Russell)

### B. Community Transportation Coordinator (CTC) Report

Ms. Russell presented the report from July 1, 2017 to September 30, 2017. She reported that they had 2,845 trips during this reporting period that totaled 65,814 passenger miles. She also noted that they only spent \$21,777 of their \$244,273 allocation for FY 2017-2018, and sighted they couldn't spend their money due to all the restrictions on how those funds can be used.

The board discussed the possibility of doing more outreach perhaps through a brochure because there seems to be a disconnect again between Medicaid and the TD eligible trips.

**Action:** Information Only
